Curtain Rail Set Standard

HOFA Curtain Rail Set Standard

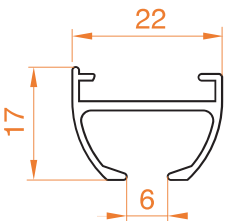

The HOFA Curtain Rail Set Standard is a robust, high-quality solution for the secure installation of acoustic curtains. Its discreet, interior-friendly design suits living spaces and it is available in black or white. The construction ensures smooth, quiet curtain travel and comfortable handling even with frequent use. The system can be mounted to the ceiling or to the wall using the appropriate brackets.

Dimensions and Weight:

Custom lengths are available upon request.

The weight is approximately 0.2 kg/m.

Rail lenght (standard):	195 cm
Rail widht:	22 mm
Rail height:	17 mm
