Mobilwand

HOFA Mobile Wall

The benefits of the frame insert principle are combined in the mobile wall with a rolling construction – for maximum flexibility and mobility of your room acoustics.

The mobile wall can be set up at different heights and can be variably equipped with HOFA diffusers, absorbers, and acrylic glass modules. Thanks to its 4 casters, it can be easily moved from one recording situation to the next.

Dimensions and Weight:

The HOFA Mobile Wall is available in different sizes:

Mobile wall for 2 modules:	Height: 0,71 m Weight: 12,64 kg
Mobile wall for 4 modules:	Height: 1,20 m Weight: 18,86 kg
